**Capital Health Hospital Group is a modern multi-disciplinary medical facility that provides excellent patient care**

We would like to take this opportunity to introduce you to CAPITAL HEALTH Hospital Group: The interdisciplinary Health Care Centre located on the historic Friedrichstrasse, in the heart of Berlin. CAPITAL HEALTH Hospital Group stands with more than 38 highly experienced specialists for high quality medical diagnostics and treatment in all disciplines. Our mission is providing the highest levels patient care, maintaining high quality patient care through our highly qualified staff and doctors

Our specialists are committed to an interdisciplinary approach to patient care. Whether the patient is in need of preventive screenings or more specialized treatment, comprehensive services will be obtained from experts who are dedicated to provide effective and compassionate care to their patients.

**Languages**

We are pleased to offer you medical consultations in your native language: German, English, French, Russian, and Arabic.

Our doctors are vocationally registered and have a broad range of skills. They undertake regular continuing professional development to keep abreast of the latest advances in medicine and patient care. Should the need arise, our doctors will coordinate care with the best specialists available, providing optimal health outcomes. We would be pleased to show you our facilities. Please do not hesitate to contact us at any time through our office +49 (0)30 32 79 80 92 20, Office International Affairs.

**Latest technologies: open MRI**

Our open MRI system provides the most accurate diagnosis possible. The new design permits access from all four sides and has revolutionized the comfort of the imaging examination.
